B1 Video Recording Task: A Natural Wonder in My Country

Objective:

Work in a group of 4–5 students to create a 4–5 minute video presentation about a natural wonder in your country. Use visual materials such as photos, maps, drawings, slides, posters, or short video clips to support your presentation.

Instructions

1. Form groups of 4–5 students.
2. Choose a natural wonder in Ecuador (a mountain, volcano, waterfall, beach, lake, national park, etc.).
3. Prepare visual materials that will help explain and illustrate your topic.
4. Record a 4–5 minute video in which all group members participate.
5. Speak clearly and use complete sentences.
6. Organize your presentation using the sections below.

1. Introduction

- Introduce the natural wonder.
- Explain where it is located.
- Mention why it is famous.

2. Description

- Describe what it looks like.
- Talk about its most important physical features.
- Use descriptive adjectives.

3. Activities

- Explain what visitors can do there.
- Mention at least two or three activities.

4. Best Time to Visit

- Say when people should visit.
- Explain the reasons for your recommendation.
