

Miguel Sampedro

• Have you ever hurt yourself?

Yes, I hurt myself a while ago while playing sport, but it wasn't anything serious

• Do you consider yourself brave?

I think so. I take some bravery to dive into complex cybersecurity challenges and penetration testing

• Have you ever traveled by yourself?

Yes, I frequently travel by myself within Ecuador, especially when moving around for my daily activities

• Have you ever taught yourself something?

I am very self-taught, I've taught myself how to deploy ASP.NET Core applications using Docker and how to configure complex routing protocols in EVE-NG

• Are you enjoying yourself in this class?

I am really enjoying myself, it's a great opportunity to practice present verb

• Do you consider yourself a flexible person?

I definitely have to be! Balancing my 6th-semester classes at ESPE, my internship at the technology center, and my full-stack projects

Dario Constaite

• Have you ever hurt yourself?

Yes, I hurt myself playing soccer a few years ago. I fell down and hurt my knee but I felt better after a few days.

• Do you consider yourself brave?

Yes, He consider my self brave because I like trying new things and I don't give up easily

• Have you ever traveled by yourself?

Yes, He traveled by myself to the coast to enjoy the beach. It was relaxing. His one I had a great time

Miguel Sangucho
